# Palm Crosses

Follow the instructions below to create your own palm cross!

1 Holding a palm strip with the curled edge toward you, fold up the widest end in a loop about 2" long.

2 Then fold the top piece downward until it covers the top of the previous fold and forms a loop about 2". Place a staple at the intersection.

3 Bend the thin end of the palm to the right, creasing on a diagonal line.

4 Fold the palm behind the cross, forming a loop about 1 1/2" on the left. Secure in the center with another staple.

5 Continue the fold toward the front of the cross forming a loop 1 1/2" on the left. Secure it with another staple.

6 Wrap the remainder of the palm over the top-right angle of the cross, bringing it straight across the back and over the top-left angle to the front. Cross it diagonally to the bottom-right corner ...

7 ... straight across the back and bring it to the front from the bottom-left corner. Bring it from the bottom-left corner to the top-right corner and to the back again.

8 Weave the small remaining piece in the back under loops and tie it off. If needed, you can use another staple or a drop of glue.

9 Add dried flowers or a tiny bow.
